edition *Workbook with answers with audio*. This is a major new series developed to provide complete coverage of the framework for teaching mathematics and Medium Term Plan in a highly accessible and modern format. *My English Garden* is an innovative course comprising coursebooks and workbooks for Classes 1-8. The course caters to the needs of the learners and facilitators through its constructivist approach. It blends the principles of communicative language teaching with a functional approach to grammar through task-based learning. Through their simple, lucid and visually appealing presentation of content, the books make language acquisition effortless and engrossing for learners. Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The *Teacher's Book* contains all the pages from the *Classroom Book*, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

Reading Comprehension for grade 7 is designed to aid in the review and practice of reading comprehension skills. Grade 7 covers standards such as main topic and key details, literary terms and devices, summarizing, inferring, and vocabulary practice. The book includes engaging nonfiction and fiction passages and stories to appeal to all readers. The *100+ Series Reading Comprehension* books span grades 1 to 8. The activities in each book reinforce essential reading comprehension skills by providing practice with sequencing, main idea, predicting, and inferring, as well as story elements, character, plot, and setting. The books include engaging grade-appropriate fiction and nonfiction passages and stories. Each book has 128 pages and 100 pages (or more) of reproducible content to help students review and reinforce essential skills in reading comprehension. The series is correlated and aligned to the Common Core State Standards. The

Core Skills Language Arts series is designed to help students master core language skills, writing skills, and research skills they will need to excel in all academic areas and increase test scores. Each lesson is presented in a "Rule-Example-Practice" format to encourage independent learning. Ample practice allows students to apply what they've learned and helps students achieve mastery of grade-level skills. The content in Core Skills Language Arts: Grade 7 was selected to cover a range of topics aligned to national standards for grade 7 and other important language and writing skills. This workbook covers the following key areas: - Parts of Speech - Sentences - Mechanics - Vocabulary and Usage - Writing - Research Skills
