"Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share"—Wally Lamb, author of *I Know This Much Is True* "Gauthier has an

uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, *Indigo Girls*

From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song. Mary Gauthier was two years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together. An ironically upbeat book that asks some of today's most inimitable musicians which song they would choose to be the last one they ever hear. If you could choose the last song you'd hear before you died, what would it be and why? Your favorite song of all time? Perhaps the one you danced to at your wedding? The song from that time you got super stoned and just let the chords speak to you? A hard question that Mike Ayers has thought about for years. In *One Last Song*, Ayers invites 30 musicians to consider what song they would want to accompany them to those pearly white gates. Weaving together their explanations with evocative illustrations and poignant interludes—what your song to die to says about you, what songs famous people have died to, and more. The book offers insight into the minds of famous artists and provides an entry point for considering how integral music is to our own personal narratives. Grammy Award winner Rhiannon Giddens celebrates Black history and culture in her unflinching, uplifting, and gorgeously illustrated picture book debut. I learned your words and wrote my song, you put my story down. As an acclaimed musician, singer, songwriter, and cofounder of the traditional African American string band the Carolina Chocolate Drops, Rhiannon Giddens has long used her art to mine America's musical past and manifest its future, passionately recovering lost voices and reconstructing a nation's musical heritage. Written as a song to commemorate the 155th anniversary of Juneteenth—which was originally performed with famed cellist Yo-Yo Ma—and paired here with bold illustrations by painter Monica Mikai, *Build a House* tells the moving story of a people who would not be moved and the music that sustained them. Steeped in sorrow and joy, resilience and resolve, truth and transcendence, this dramatic debut offers a proud view of history and a vital message for readers of all ages: honor your heritage, express your truth, and let your voice soar, even—or perhaps especially—when your heart is heaviest. From the beloved host and creator of NPR's *All Songs Considered* and *Tiny Desk Concerts* comes an essential oral history of modern music, told in the voices of iconic and up-and-coming musicians, including Dave Grohl, Jimmy Page, Michael Stipe, Carrie Brownstein, Smokey Robinson, and Jeff Tweedy, among others—published in association with NPR Music.

Is there a unforgettable song that changed your life? NPR's renowned music authority Bob Boilen posed this question to some of today's best-loved musical legends and rising stars. In *Your Song Changed My Life*, Jimmy Page (Led Zeppelin), St. Vincent, Jónsi (Sigur Rós), Justin Vernon (Bon Iver), Cat Power, David Byrne (Talking Heads), Dave Grohl (Nirvana, Foo Fighters), Jeff Tweedy (Wilco), Jenny Lewis, Carrie Brownstein (Portlandia, Sleater-Kinney), Yusuf Islam (Cat Stevens), Colin Meloy (The Decemberists), Trey Anastasio (Phish), Jackson Browne, Valerie June, Philip Glass, James Blake, and other artists reflect on pivotal moments that inspired their work. A young St. Vincent's life changed the day a box of CDs literally fell off a delivery truck in front of her house. Cat Stevens was transformed when he heard John Lennon cover "Twist and Shout." personal experiences, both ordinary and extraordinary, *Your Song Changed My Life* illustrates the ways in which music is revived, restored, and revolutionized. It is also a testament to the power of music in our lives, and an inspiration for future artists and music lovers. "One-of-a-kind collection of accessible, must-know hits from Bruno Mars and Aerosmith to Pearl Jam and Led Zeppelin"--Cover. The New York Times Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all—her best friend, Robyn Crawford. Since Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, *A Song for You*. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their bond and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, *A Song for You* is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight. A fictionalized account based on the mysterious 1949 disappearance of actress Jean Spangler, whose demise had been linked to the Black Dahlia killings, is a darkly sensual tale that imagines what may have been her fate. By the Edgar Award-shortlisted author of *Die a Little*. Reprint. 15,000 first printing. The culture clash that permanently changed American theater The idea of American musical theatre often conjures up images of bright lights and big city, but its lifeblood is found

in amateur productions at high schools, community theatres, afterschool programs, summer camps, and dinner theatres. In *Beyond Broadway*, author Stacy Wolf looks at the widespread presence and persistence of musical theatre in U.S. culture, and examines it as a social practice - a live, visceral experience of creating, watching, and listening. Why does local musical theatre flourish in America? Why do so many Americans continue to passionately engage in a century-old artistic practice that requires intense, person-to-person collaboration? And why do audiences still flock to musicals in their hometowns? Touring American elementary schools, a middle school performance festival, afterschool programs, high schools, summer camps, state park outdoor theatres, community theatres, and dinner theatres from California to Tennessee, Wolf illustrates musical theatre's abundance and longevity in the U.S. as a thriving social activity that touches millions of lives. It's an unforgettable story that music lovers in particular will appreciate, but every teenager trying to find their place in the world should read." —Stephanie Kuehnert, author of *I Wanna Be Your Joey Ramone* and *Ballads of Suburbia*

Frustrated by a day full of teachers and classmates mispronouncing her beautiful name, a little girl tells her mother she never wants to come back to school. In response, the girl's mother teaches her about the musicality of African, Asian, Black-American, Latinx, and Middle Eastern names on their lyrical walk home through the city. Empowered by this newfound understanding, the young girl is ready to return the next day to share her knowledge with her class.

*Your Name is a Song* is a celebration to remind all of us about the beautiful history, and magic behind names. Using colorful images and rhyming text, it introduces the characteristics that determine what is living and what is nonliving. Musicals, it is often said, burst into song and dance when mere words can no longer convey the emotion. This book argues that musicals burst into song and dance when one body can no longer contain the emotion. Rogers shows how the musical's episodes of burlesque and minstrelsy model the kinds of radical relationships that the genre works to create across the different bodies of its performers, spectators, and creators every time the musical bursts into song. These radical relationships—borne of the musical's obsessions with "bad" performance of gender and race—are the root of the genre's progressive play with identity, and thus the source of its subcultural power. However, this is

to an ethical dilemma: Are the musical's progressive politics thus rooted in its embrace of regressive entertainments like burlesque and minstrelsy? *The Song Is You* shows how musicals return again and again to this question, and grapple with a guilt that its joyous pleasures are based on exploiting the laboring bodies of its performers. Rogers argues that the discourse of "integration"—which claims that songs should advance the plot—has functioned to deny the radical work that the musical undertakes every time it transitions into song and dance. Looking at musicals from *The Black Crook* to *Hamilton*, Rogers confronts the gendered and racial dynamics that have always under-girded the genre and asks how we move forward. When the world feels chaotic, find peace within through an accessible mindfulness practice from the bestselling picture-book dream team that brought us *I Am Yoga*. Express emotion through direct speech. Find empathy through imagination. Connect with the earth. Wonder at the beauty of the natural world. Breathe, taste, smell, touch, and be present. Perfect for the classroom or for bedtime. Susan Verde's gentle, concrete narration and Peter H. Reynolds's expressive watercolor illustrations bring the tenets of mindfulness to a friendly level. Featuring an author's note about the importance of mindfulness and a guided meditation for children, *I Am Peace* will help readers of all ages feel grounded and restored. What links Lead Belly, Lonnie Donegan and Black Betty? Whose gravestone inspired Phil Spector's first hit? And for which song did Johnny Rotten replace the singer from Def Leppard? The rich history of popular music is built on a foundation of classic songs. From Tin Pan Alley to the Brill Building, Bob Dylan to Kurt Cobain, and Joni Mitchell to Amy Winehouse, gifted songwriters have crafted a cherished body of music that has become a part of our lives. Imagine the Fifties without the magical clamor of "Tutti Frutti" and "Hound Dog" the Seventies without the anthemic "Le Freak" and "Anarchy in the UK" or the Noughties without the Leftfield pop of "Toxic" or "Crazy". This music mirrors the times, both reflecting society at large ("A Change is Gonna Come", "The Message") and mapping our own personal highs ("God Only Knows") or lows ("Hurt"). And from 'Saturday Night Fish Fry' to Saturday Night Fever, it has

helped us simply forget our problems. 1001 Songs You Must Hear Before You Die picks through nearly a century of music to bring you an inspiring selection of some of the greatest recordings ever made. Each entry in this wonderfully browsable book tells the story of a great song.
