The #1 bestselling author of *The Collectors* and *Simple Genius* returns with *STONE COLD*...an unforgettable novel of revenge, conspiracy, and murder that brings a band of unlikely heroes face-to-face with their greatest threat. Oliver Stone, the leader of the mysterious group that calls itself the Camel Club, is both feared and

respected by those who've crossed his path. Keeping a vigilant watch over our leaders in Washington, D.C., the Camel Club has won over some allies, but it has also earned formidable enemies—including those in power who will do anything to prevent Stone and his friends from uncovering the hidden, secret work of the government. Annabelle Conroy, an honorary member of the Camel Club, is also the greatest con artist of her generation. She has swindled forty million dollars from casino king Jerry Bagger, the man who murdered her mother. Now he's hot on her trail with only one goal in mind: Annabelle's death. But as Stone and the Camel Club circle the wagons to protect Annabelle, a new opponent, who makes Bagger's menace pale by comparison, suddenly arises. One by one, men from Stone's shadowy past are turning up dead. Behind this slaughter stands one man: Harry Finn. To almost all who know him, Finn is a doting father and loving husband who uses his skills behind the scenes to keep our nation safe. But the other face of Harry Finn is that of an unstoppable killer who inevitably sets his lethal bull's-eye on Oliver Stone. And with Finn, Stone may well have met his match. As Annabelle and the Camel Club fight for their lives, the twists and turns whipsaw, leading to a finale that is as explosive as it is shattering. And when buried secrets are at last violently resurrected, the members of the Camel Club left standing will be changed forever. Eight years earlier, the hard-charging Secret Service agent allowed his attention to be diverted for a split second. And the candidate he was protecting was gunned down before his eyes. Now Michelle and Sean are about to see their destinies converge. Drawn into a maze of lies, secrets, and deadly coincidences, the two

discredited agents uncover a shocking truth: that the separate acts of violence that shattered their lives were really a long time in the making—and are a long way from over. It's 1949. When war veteran Aloysius Archer is released from Carderock Prison, he is sent to Poca City on parole with a short list of do's and a much longer list of don'ts: do report regularly to his parole officer, don't go to bars, certainly don't drink alcohol, do get a job-- and don't ever associate with loose women. The small town quickly proves more complicated and dangerous than Archer's years serving in the war or his time in jail. Within a single night, his search for gainful employment--and a stiff drink--leads him to a local bar, where he is hired for what seems like a simple job: to

collect a debt owed to a powerful local businessman, Hank Pittleman. Soon Archer discovers that recovering the debt won't be so easy. The indebted man has a furious grudge against Hank and refuses to pay; Hank's clever mistress has her own designs on Archer; and both Hank and Archer's stern parole officer, Miss Crabtree, are keeping a sharp eye on him. When a murder takes place right under Archer's nose, police suspicions rise against the ex-convict, and Archer realizes that the crime could send him right back to prison . . . if he doesn't use every skill in his arsenal to track down the real killer. From David Baldacci--the modern master of the thriller and #1 worldwide bestselling novelist--comes a hero: a lone Army Special Agent taking on the toughest crimes facing the nation. Someone has stumbled onto a brutal crime scene, a family slaughtered. The local homicide detective, a headstrong woman with personal demons of her own, joins forces with Puller in the investigation. But someone else is pursuing Waller: Reggie Campion, an agent for a secret vigilante group headquartered in a musty old English estate—and she has an agenda of her own. Hunting the same man and unaware of each other's mission, Shaw and Reggie will be caught in a deadly duel of nerves and wits. Hitchcockian in its intimate buildup of suspense and filled with the remarkable characters, breathtaking plot turns, and blockbuster finale that are David Baldacci's hallmarks, *Deliver Us From Evil* is one of the most gripping thrillers you'll read this year. Before he can lead a covert mission on the orders of the President, a former CIA assassin must track down the source of a terrorist attack and navigate a shadowy world of betrayal and political secrets in this #1 New York Times bestselling thriller. John Carr, aka Oliver Stone—once the most skilled assassin his country ever had—stands in Lafayette Park in front of the White House. Inside, the British prime minister is being honored at a state dinner. Then, just as the prime minister's motorcade leaves, a bomb explodes in the park, and in the chaotic aftermath Stone is given an urgent assignment: find those responsible. British MI-6 agent Mary Chapman becomes his partner in the search for the unknown attackers. But their opponents are elusive, skilled, and increasingly lethal. Worst of all, the park bombing may have been only the opening salvo in their plan. With nowhere else to turn, Stone enlists the help of the only people he knows he can trust: the Camel Club. America has enemies—ruthless people that the police, the FBI, even the military can't stop. That's when the U.S. government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first—and last—mistake of his career . . . **THE INNOCENT** It begins with a hit gone wrong. Robie is

dispatched to eliminate a target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway—her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own. David Baldacci delivers a moving, family drama about learning to love again after terrible heartbreak and loss in this classic New York Times bestseller—soon to be a Hallmark original movie. It's almost Christmas, but there is no joy in the house of terminally ill Jack and his family. With only a short time left to live, he spends his last days preparing to say goodbye to his devoted wife, Lizzie, and their three children. Then, unthinkably, tragedy strikes again: Lizzie is killed in a car accident. With no one able to care for them, the children are separated from each other and sent to live with family members around the country. Just when all seems lost, Jack begins to recover in a miraculous turn of events. He rises from what should have been his deathbed, determined to bring his fractured family back together. Struggling to rebuild their lives after Lizzie's death, he reunites everyone at Lizzie's childhood home on the oceanfront in South Carolina. And there, over one unforgettable summer, Jack will begin to learn to love again, and he and his children will learn how to become a family once more.
