"A headstrong woman discovers it's never too late for change in ... author Carolyn Brown's spirited novel about lost hope and second chances."-- "Ever since childhood, Emma Merrill and Sophia Mason were bound by a passion for painting. Like all young best friends, they promised to never lose touch. But the girls came from different worlds, and their paths diverged when Emma went to an elite college and Sophie worked her way through state school. After a decade they've reconnected, both in a time of need. Emma has been struggling with depression since her college years, and she's lost herself under the suffocating influence of her controlling and manipulative mother. Sophie, under pressure to prepare for an upcoming gallery show, whisks the fragile Emma away to a small artist's colony in south Texas. It's a raw and beautiful landscape where wildflowers bloom, and perhaps Emma can bloom there, too. In the company of such nurturing and creative strangers, especially Josh Corlen, the openhearted manager of the commune, Emma allows herself to breathe again."--Back cover.

As the miles pass and sparks fly between Tessa and Branch, her grandmother starts dropping hints about family wedding traditions. After traveling the world, Dr. Cody Ryan has finally come home to his foster family's ranch in Honey Grove, Texas. He's barely seen the gorgeous veterinarian since he returned, so why is she icier than the wind outside? Stephanie—better known as Dr. Stevie around Sunflower Ranch—has been treating the cattle there for years...and not one of them is as bullheaded as Cody. He's completely forgotten how he broke her heart, back when she was a teenager smitten by his easy charm and sharp wit. But as the blizzard rages on, trapping Cody and Stevie together, it's clear that the fire they've built to keep warm isn't the only source of sparks in that barn. Once the storm passes, will Stevie and Cody discover that they've fallen in love ...and will either of them ever admit it? A new, fully revised edition.

A Life by Request reads like a romance novel: neither the deepest valley nor the highest mountain can keep soul mates Carolyn and Jay apart-not even death. But nothing is fictional about Carolyn Jaymes's true story of how the love of her life returns to her from the spirit world. She discovers he never actually left her, watching over her as she labors through life, which includes a miserable marriage to Tom. Carolyn and Jay get a second chance at life and love together when Jay takes over Tom's body as a walk-in, with Tom's permission. As Carolyn learns how souls can change places and begins to witness things that can't be explained, her doubt fades, and she comes to realize that the man who looks like Tom is indeed her Jay-and she's also blown away that she would be blessed with a second chance at love in such a miraculous way. **A Life by Request** is an extraordinary story about the power of love and its ability to transcend any barrier, including the boundary between heaven and earth. If you don't believe in the spirit world and its connection to this world, you may find yourself thinking twice after reading this book.

A Bittersweet Reunion becomes a time for looking back and starting over in a heartwarming new novel from New York Times bestselling author Carolyn Brown. Miss Janie is at the end of a long and full life, but she has no intention of crossing that finish line until she's found her girls... It's been ten years since Teresa and Kayla shook off the dust of Birthright, Texas, went their separate ways, and never looked back. Apart from their foster mom, Miss Janie, they don't have many fond memories of their hometown. Or of each other. Still, neither can forget the kind woman who opened her home and heart to two teenagers in need. When a private investigator--who just happens to be Miss Janie's handsome nephew--tracks them both down and tells them Miss Janie is dying, Teresa and Kayla know deep down that they've got to be there for her as she had been there for them. With Teresa and Kayla together again under the same roof, old tensions may flare, but with Miss Janie's help, they might rediscover that home is the perfect place for new beginnings.

Clare Rainbow-Dashell, the only child of delightfully eccentric, wealthy hippies, has just taken a hiatus from her career as an acclaimed wildlife photographer and returned to California to pursue her academic dreams when a disastrous affair with a professor catapults her to another continent: Africa. There, she immerses herself in well-paid commercial work for a luxury safari lodge as she seeks to regain her emotional and financial self-reliance. All this, however, is complicated by her relationship with her charismatic, imperious employer and her undeniable attraction to a leading black rhino specialist—two men who are at war over both environmental politics and Clare herself. Set against the formidable backdrop of the Namib Desert, **Rhino Dreams** dramatizes the crisis of endangered species preservation and the horrors of poaching, interweaving this very real ecological darkness with the internal and external battles of three characters driven by fierce passions and divided notions of duty, ambition, and desire. It is a sometimes humorous, sometimes poignant ride—and, in the end, a testimony to how tenuous and precious both life and love can be. "It's possible simply to go through life noticing things and writing them down and that this is OK, it's worth doing... the seemingly insignificant things that most of us spend our days noticing are really significant, have meaning, and tell us something." - Joan Didion

This is not just another list-of-writing-prompts-book because Carolyn V. Hamilton has included personal stories to inspire you to be ruthlessly honest with yourself. And she has done so honestly, openly, and with no holds barred. Just as she encourages you to do.

WARNING: Sharing your personal thoughts with yourself in a written format can lead to unbridled self-exploration and self-knowledge. Carolyn V. Hamilton's goal has been to provide you with lots of often odd and unusual things to think about when you sit down to write your memoir or to write in your daily journal. Your emotional reactions to Carolyn's personal stories may give you some new insight into yourself, and how you prefer to tell your stories. Her memoir students and clients often tell her that it's not easy, or not always preferable, to be blunt and raw. In this book you'll find intriguing story prompt titles like, "What Mom Said",

"Eavesdropping", "The Tsunami Wedding", "That Foul Smell", "Close Encounters of the Police Kind", and "Stung, Bitten, Ravaged." If you are writing a memoir, these prompts can give you some ideas for something to write when you are "stuck." And that piece may well find its way into the big picture of your story. From the author of *The 5 Important Parts of a Successful Memoir & Why You Need Them* and *Power Editing For Memoir Writers*, this comprehensive book will spark your inspiration and immediately unleash your creativity.
