Ross explores the biases we each carry within us. Incorporating anecdotes from today's headlines alongside case studies from over 30 years of diversity consulting, Ross helps readers understand how unconscious bias impacts our day-to-day lives and, particularly, our

daily work lives. And, he answers the question: "Is there anything we can do about it?" by providing examples of behaviors that the reader can engage in to disengage the impact of their own biases. Originally published in 2014, the updated edition draws new examples from today's headlines such as the #me too Movement, police shootings, and bias in the ever more partisan Trump era.
