Heidi Hawthorne, a FM radio DJ and recovering drug addict, is struggling with her newfound sobriety and creeping depression when she receives a mysteriously shaped wooden box branded with a strange symbol. Inside the box is a promotional record for a band that identifies themselves only as The Lords. She decides to play it on her show as a joke, but when she does horrible things begin to happen. The strange music unleashes something evil in the town. HALLOWEEN MACHINE PRESENTS: ROB ZOMBIE!! Paul Couselis (Rue Morgue, Lords of October) takes a look at one of HM's favorite Halloween and horror folks, director and musician Rob Zombie! This is the first in a series of profiles about influential people in the Halloween and horror industries, and Rob Zombie is BOTH, with his horror pedigree well earned in music, movies AND Halloween haunts. This book contains reviews of Zombie films, Kurtis Primm's creepy prose, an interview with Walter Phelan ("Dr. Satan" himself), catching up with Sid Haig, a look at what might be next for Rob Zombie, EFX artist Donnie Drumm's custom Halloween 2" masks and costumes, and more. With a jaw-dropping creepy-cool cover illustration by David Hanson and a full color back cover illustration by Halloween Machine's Audriana Couselis! In the American War for Independence, Peace of God Manly helps Benjamin Franklin gain an alliance for the Colonies with France by harassing British ships in their own waters. Using colorful visuals, easy-to-read summaries, and reflections, The Lords Prayer Bible Study takes you through the seven petitions of one of Jesus's most famous prayers. Enrich your prayer life with a deeper understanding of this model prayer that Jesus taught his closest disciples to pray. Key features include: Short, concise lessons for people with busy lives, as well as an optional reading plan for people with more time who want to go deeper. Leaders guide is contained within each study guide, so no extra book purchase is required. Discussion questions for each session and lots of space for writing. Most Bible studies on the Lords Prayer don't include visuals. Imagine having one that does! Perfect for small groups, individual use, young adult study, homeschool, church library, to give to a friend, and more! Whether you have repeated The Lords Prayer countless times in church or are new to this classic prayer, this Bible study will help you dive deeper into the rich theological and spiritual meaning behind each line. This study answers questions such as: What does it mean for God's kingdom to come, and to ask for our daily bread? How do we hallow God's name? How are we forgiven of our debts (trespasses)? And more! With practical life application and thought-provoking discussion questions, you will discover more about God's attributes and how to pray to our Father in heaven. Enjoy Rose Visual Bible Study's Simple, Easy-to-Use Format Each of the 6 sessions guides you (and your group) through the following sections: Introduction: Simple overview to get started. Read It: Key Bible Passages and Optional Reading. Know It: Discussion Questions with space for writing. Explore It: Summaries of key information, easy-to-read outlines, charts, full-color illustrations, and more. Live It: Devotional reading and life application questions, a short prayer, and space for note-taking & journaling. About the series: Rose Visual Bible Studies are packed with full-color visuals that show key information at a glance! With their easy-to-use format read it, know it, explore it, and live it these six-week inductive studies are perfect for gaining a deeper insight into God's Word. Loaded with charts, graphs, images, and fascinating facts, these Bible studies are easy enough that the new believer understands, but in-depth enough that the longtime churchgoer still comes away learning something new. If you think you can unlock the gates of Hell and just invite yourself in, you must be Dreaming! The epic crossover between two of the most beloved fantasy universes in comics begins here. John "Jack" Locke is ten years dead, but that hasn't stopped him from posting the occasional letter home... from

Hell. Now, Mary Locke will do anything to save her brother's soul. Her quest to rescue him from The Pit will require her to outsmart Roderick Burgess (the most evil man in England), puzzle her way through the House of Mystery, and risk the walking nightmare known as The Corinthian in a disintegrating Kingdom of Dreams! "The New York Times bestselling business journalist Christopher Leonard infiltrates one of America's most mysterious institutions--the Federal Reserve--to show how its policies over the past ten years have accelerated income inequality and put our country's economic stability at risk"-- This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations. Spanning a century, *Pushing Cool* reveals how the twin deceptions of health and Black affinity for menthol were crafted—and how the industry's disturbingly powerful narrative has endured to this day. Police put Eric Garner in a fatal chokehold for selling cigarettes on a New York City street corner. George Floyd was killed by police outside a store in Minneapolis known as "the best place to buy menthols." Black smokers overwhelmingly prefer menthol brands such as Kool, Salem, and Newport. All of this is no coincidence. The disproportionate Black deaths and cries of "I can't breathe" that ring out in our era—because of police violence, COVID-19, or menthol smoking—are intimately connected to a post-1960s history of race and exploitation. In *Pushing Cool*, Keith Wailoo tells the intricate and poignant story of menthol cigarettes for the first time. He pulls back the curtain to reveal the hidden persuaders who shaped menthol buying habits and racial markets across America: the world of tobacco marketers, consultants, psychologists, and social scientists, as well as Black lawmakers and civic groups including the NAACP. Today most Black smokers buy menthols, and calls to prohibit their circulation hinge on a history of the industry's targeted racial marketing. In 2009, when Congress banned flavored cigarettes as criminal enticements to encourage youth smoking, menthol cigarettes were also slated to be banned. Through a detailed study of internal tobacco industry documents, Wailoo exposes why they weren't and how they remain so popular with Black smokers. Hailed as "the most radical repackaging of the Bible since Gutenberg", these *Pocket Canons* give an up-close look at each book of the Bible. The moving, gripping, and tell-all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in *Penthouse Magazine*, where at 15 she became internationally known as TRACI LORDS. From there she appeared in numerous adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir—a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth. It's no surprise that the historic Massachusetts seaport's history is checkered with violence and heinous crimes. Originally called Naumkeag, Salem means "peace." However, as its historical legacy dictates, the city was anything but peaceful during the late seventeenth century. Did the reputed Boston Strangler, Albert DeSalvo, strike in Salem? Evidence supports the possibility of a copy-cat murder. From the recently pinpointed gallows where innocents were hanged for witchcraft to the murder house on Essex Street where Capt. Joseph White was bludgeoned to death and then stabbed thirteen times in the heart, Sam Baltrusis explores the ghost lore and the people behind the tragic events that turned the "Witch City" into a hot spot that has become synonymous with witches, rakes, and rogues. Instant New York Times Bestseller One of Fall 2019's Best Books (People, EW, Lithub, Vox, Washington Post, and more) A young boy is haunted by a voice in his head in this acclaimed epic of literary horror from the author of *The Perks of Being a Wallflower*. Christopher is seven years old. Christopher is the new kid in town. Christopher has an imaginary friend. We can swallow our fear or let our fear swallow us. Single mother Kate Reese is on the run. Determined to improve life for her and her son, Christopher, she flees an abusive relationship in the middle of the night with her child. Together, they find themselves drawn to the tight-knit community of Mill Grove, Pennsylvania. It's as far off the beaten track as they can get. Just one highway in, one highway out. At first, it seems like the perfect place to finally settle down. Then Christopher vanishes. For six long days, no one can find him. Until Christopher emerges from the woods at the edge of town, unharmed but not unchanged. He returns with a voice in his head only he can hear, with a mission only he can complete: Build a treehouse in the woods by Christmas, or his mother and everyone in the town will never be the same again. Twenty years ago, Stephen Chbosky's *The Perks of Being a Wallflower* made readers everywhere feel infinite. Now, Chbosky has returned with an epic work of literary horror, years in the making, whose grand scale and rich emotion redefine the genre. Read it with the lights on. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. Late Essays: 2006-2016 will be

available January 2018. Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie's boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy's smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, *Disgrace* explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression.

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself. From the author of the New York Times bestselling *Abraham Lincoln: Vampire Hunter*, comes *UNHOLY NIGHT*, the next evolution in dark historical revisionism. They're an iconic part of history's most celebrated birth. But what do we really know about the Three Kings of the Nativity, besides the fact that they followed a star to Bethlehem bearing strange gifts? The Bible has little to say about this enigmatic trio. But leave it to Seth Grahame-

Smith, the brilliant and twisted mind behind *Abraham Lincoln: Vampire Hunter* and *Pride and Prejudice and Zombies* to take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called "Three Wise Men" are infamous thieves, led by the dark, murderous Balthazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Balthazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt. It may just be the greatest story never told. This anthology comprises essays that study the form, aesthetics and representations of LGBTQ+ identities in an emerging sub-genre of film and television termed 'New Queer Horror'. This sub-genre designates horror crafted by directors/producers who identify as gay, bi, queer or transgendered, or works like *Jeepers Creepers* (2001), *Let the Right One In* (2008), *Hannibal* (2013–15), or *American Horror Story: Coven* (2013–14), which feature homoerotic or explicitly homosexual narratives with 'out' LGBTQ+ characters. Unlike other studies, this anthology argues that New Queer Horror projects contemporary anxieties within LGBTQ+ subcultures onto its characters and into its narratives, building upon the previously figurative role of Queer monstrosity in the moving image. New Queer Horror thus highlights the limits of a metaphorical understanding of queerness in the horror film, in an age where its presence has become unambiguous. Ultimately, this anthology aims to show that in recent years New Queer Horror has turned the focus of fear on itself, on its own communities and subcultures. When you open your eyes things already seem to be happening without you. You don't know who you are and you don't remember where you've been. You know the world has changed, that a catastrophe has destroyed what used to exist before, but you can't remember exactly what did exist before. And you're paralyzed from the waist down apparently, but you don't remember that either. A man claiming to be your friend tells you your services are required. Something crucial has been stolen, but what he tells you about it doesn't quite add up. You've got to get it back or something bad is going to happen. And you've got to get it back fast, so they can freeze you again before your own time runs out. Before you know it, you're being carried through a ruined landscape on the backs of two men in hazard suits who don't seem anything like you at all, heading toward something you don't understand that may well end up being the death of you. Welcome to the life of Josef Horkai....

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Through critical analyses of experiences of women of color in the academy, the media framing of alleged Aurora shooter James Holmes, the use of monstrosity in unpublished work from the Gloria Anzaldúa archives, post-feminist discourses and Kanye West's strategic employment of ideologies of monstrosity, this book offers new ways to think about Otherness in this contemporary moment. She's not desperate enough to offer up a vein... yet. Gemma's doing her best to eke out a life on the fringes of a society torn apart by the vampire-fae war. Between odd jobs and couch surfing, she's surviving. Barely. But when one of those odd jobs ends with her witnessing a murder, she's thrust straight into a world she'd do anything to avoid. And right into the path of a vampire who's equal parts sex and danger, and leaves her breathless with desire. The human smells good enough to eat... Soren has more important things to do that protect a human who tempts his fangs. His predecessor was murdered, vampires are going missing, and a local slayer has a stake with his name on it. While delicious Gemma smells like fae and trouble, her sweet curves and wicked mouth are temptations he can't resist. With slayers on the loose and vampire politics threatening at every turn, Gemma and Soren will need to work together to solve the mystery of Gemma's birth and uncover who is threatening the vampires of Salem. But the fae and vampires are ancient enemies and working together might be enough to lead them to their doom. Eine obskure Gothrock-Band, ein uralter Fluch aus der Zeit der Hexenverfolgung und die entfesselten Mächte der Hölle Als Radio-DJane Heidi Hawthorne einen Song der Gothrock-Band The Lords spielt, ist in Salem der Teufel los: Die Melodie spricht die dunkelsten Seiten in den Hörern an, und bald geschehen täglich Morde. Wer verbirgt sich hinter The Lords? Die Antwort liegt in der Vergangenheit Salems verborgen, und zwar im dunkelsten Kapitel der Stadtgeschichte: den Hexenprozessen. Heidi wird in immer seltsamere Vorfälle verwickelt, und ein schrecklicher Verdacht keimt auf: Sind die Hexen etwa aus der Hölle zurückgekehrt, um blutige Rache zu nehmen? "Chicago Police Detective Brooke Chandler ... is no stranger to the supernatural. In Chicago, vampires are just as prevalent as drug lords, and infinitely more bloodthirsty. So when her partner and fiancée dies in a mysterious fire while chasing down a lead in Salem, she suspects something dark and otherworldly is at play. Blessed with the ability to see into the past by touching inanimate objects, Brooke transfers to the Salem PD, hoping her talent will help her get to the bottom of things"--Page 4 of cover. It's an all-new horror classic about what happens when the truth is the last thing we want to believe, from Bram Stoker Award-winner and master of thrills and chills, horror legend Adam Cesare. After barely making it out of the Kettle Springs cornfields alive, Quinn's first year away at college should be safe and easy. All she wants is to be normal again. But instead, Quinn finds that her past won't leave her alone when she becomes the focus of online conspiracy theories that claim the Kettle Springs Massacre never happened. It's a deranged but relentless fantasy, and there's nothing Quinn can do to get people to hear the truth—not even on her own campus or in her own dorm room. So when a murderous clown

attacks Quinn at a frat party while another goes after her father in Kettle Springs at the same time, Quinn realizes that the facts alone are never going to save her. Her only option is to go back into the cornfields, back where the nightmare began, to set the record straight the only way she knows how. Because when the truth gets lost in the lies, that's when people start to die. *Clown in a Cornfield* was 2020's Bram Stoker Award Winner for Superior Achievement in a Young Adult Novel. *Clown in a Cornfield 2: Frendo Lives* is perfectly set to attract old and new fans to the series. The village of Parliament has a colourful history of conflict, great oratory, wit and repartee, strange customs and larger-than-life characters, and this rich and entertaining miscellany embraces them all. On his enthralling textual tour, Robert Rogers, the Clerk of the House of Commons, looks not only at the memorable and often fiery politicians who have dominated the House over the centuries, but also at the historic building itself and the distinctive characteristics that make it so endlessly fascinating. Here too are all the famous clashes, rivalries and great events of parliamentary history, such as the fire in 1834 that destroyed the medieval buildings, the dramatic attempts to blow up and bomb Parliament, and the Prime Minister who was assassinated while he walked along its corridors. Although it's the great affairs of state that take centre stage, the book contains many odd and intriguing details, from the weight of Big Ben and what is in the dispatch boxes, to what a 'parliament heel' is and the whereabouts of the peregrine falcons' nest. As entertaining as it is informative, and written with the unique knowledge of an insider, this is an indispensable collection. Winner of the Pulitzer Prize "Erudite, entertaining macroeconomic history of the lead-up to the Great Depression as seen through the careers of the West's principal bankers . . . Spellbinding, insightful and, perhaps most important, timely." —Kirkus Reviews (starred) "There is terrific prescience to be found in [Lords of Finance's] portrait of times past . . . [A] writer of great verve and erudition, [Ahamed] easily connects the dots between the economic crises that rocked the world during the years his book covers and the fiscal emergencies that beset us today." —The New York Times

It is commonly believed that the Great Depression that began in 1929 resulted from a confluence of events beyond any one person's or government's control. In fact, as Liaquat Ahamed reveals, it was the decisions made by a small number of central bankers that were the primary cause of that economic meltdown, the effects of which set the stage for World War II and reverberated for decades. As we continue to grapple with economic turmoil, *Lords of Finance* is a potent reminder of the enormous impact that the decisions of central bankers can have, their fallibility, and the terrible human consequences that can result when they are wrong. Based on the Reddit sensation, a horror thriller of a young couple who buys the perfect, secluded house—only to discover the terror within. It's the house of their dreams. Former marine Harry and his wife, Sasha, have packed up their life and their golden retriever, Dash, and fled the corporate rat race to live off the land in rural Idaho. Their breathtaking new home sits on more than forty acres of meadow, aspen trees, and pine forest in the Teton Valley. Even if their friends and family think it's a strange choice for an up-and-coming pair of urban professionals, Harry and Sasha couldn't be happier about the future they're building, all by their lonesome. That is, until their nearest neighbors, Dan and Lucy Steiner, come bearing more than housewarming gifts. Dan and Lucy warn Harry and Sasha of a malevolent spirit that lives in the valley, one that with every season will haunt them in fresh, ever-more-diabolical ways. At first, it seems like an old wives' tale. But when spring arrives, so does the first evil manifestation, challenging everything Harry and Sasha thought they knew about the world. As each season passes, the spirit grows stronger, the land more sinister, and each encounter more dangerous. Will Harry and Sasha learn the true meaning of a forever home before it's too late? Haunting and bone-chilling, *Old Country* is a spellbinding debut in the horror genre. SALEM has long been notorious for the witch trials of 1692. But a hundred years later it was renowned for very different pursuits: vast wealth and worldwide trade. Now *Death of an Empire* tells the story of Salem's glory days in the age of sailing, and the murder that hastened its descent. When America first became a nation, Salem was the richest city in the republic, led by a visionary merchant who still ranks as one of the wealthiest men in history. For decades, Salem connected America with the wider world, through a large fleet of tall ships and a pragmatic, egalitarian brand of commerce that remains a model of enlightened international relations. But America's emerging big cities and westward expansion began to erode Salem's national political importance just as its seafaring economy faltered in the face of tariffs and global depression. With Salem's standing as a world capital imperiled, two men, equally favored by fortune, struggled for its future: one, a progressive merchant-politician, tried to build new institutions and businesses, while the other, a reclusive crime lord, offered a demimonde of forbidden pleasures. The scandalous trial that followed signaled Salem's fall from national prominence, a fall that echoed around the world in the loss of friendly trade and in bloody reprisals against native peoples by the U.S. Navy. *Death of an Empire* is an exciting tale of a remarkably rich era, shedding light on a little-known but fascinating period of American history in which characters such as Nathaniel Hawthorne, John Quincy Adams, and Daniel Webster interact with the ambitious merchants and fearless mariners who made Salem famous around the world. "The book offers a different experience from the film since it can obviously go into much more detail," says Rob Zombie. "The book and the film really complement each other." From the singular mind of horror maestro Rob Zombie comes a chilling plunge into a nightmare world where evil runs in the blood... The *Lords of Salem* Heidi Hawthorne is a thirty-seven-year-old FM radio DJ and a recovering

drug addict. Struggling with her newfound sobriety and creeping depression, Heidi suddenly receives an anonymous gift at the station—a mysteriously shaped wooden box branded with a strange symbol. Inside the box is a promotional record for a band that identifies themselves only as The Lords. There is no other information. She decides to play it on the radio show as a joke, and the moment she does, horrible things begin to happen. The strange music awakens something evil in the town. Soon enough, terrifying murders begin to happen all around Heidi. Who are The Lords? What do they want? As old bloodlines are awakened and the bodies start to pile up, only one thing seems certain: all hell is about to break loose. (Book).

**Sinister Urge** is the first in-depth, career-spanning biography of heavy-metal musician and filmmaker Rob Zombie. Born Robert Cummings in 1965, Zombie is now as well known for his movies as he is for his music, which he has released and performed both as a solo artist and as part of his early band White Zombie. In both fields, he imbues his art with the vivid sense of macabre theater that has thrilled his millions of disciples since he and his band first emerged with Soul-Crusher in 1987. Although he has sold millions of albums and generated many more millions of dollars at the box office, Zombie has never taken the easy option or the predictable route. Indeed, while the music industry and many of his peers have fallen to their knees in the last decade or so, Zombie has found a new edge, his work undiluted by success or middle age. Drawing on original research and new interviews with bandmates and associates, *Sinister Urge* takes a detailed look at Zombie's challenging oeuvre, offering close analysis of his albums and films alongside tales of his life and work on and offstage. From language creator David J. Peterson comes a creative guide to language construction, offering an overview of language creation, covering its history from Tolkien's creations and Klingon to today's thriving global community of conlangers. He provides the essential tools necessary for inventing and evolving new languages, using examples from a variety of languages including his own creations. **Fighting Fantasy gamebooks special!** Featuring interviews with Fighting Fantasy creators/authors Steve Jackson and Ian Livingstone, FF author Jonathan Green and FF artist Les Edwards. A FF tribute article also and Dr. Dave's Top 10 FF Gamebooks. **ALSO:** Interviews with leading ladies of horror Jennifer Rubin ('A Nightmare on Elm Street 3: Dream Warriors') and Patricia Quinn ('The Rocky Horror Picture Show' and 'The Lords of Salem'). Plus, horror film director Joshua Kennedy talks 'House of the Gorgon'.

**INCLUDING:** George R.R. Martin, Neil Gaiman, Star Wars, Buffy the Vampire Slayer, DC horror comics, original fiction, reviews and more! "There is not a more intense, prolific, or apocalyptic writer of fiction in America than Brian Evenson."—George Saunders "A contemporary gothic tale about the apocalyptic connection between religion and violence."—Publishers Weekly When Rudd, a troubled teenager, embarks on a school research project, he runs across the secret Mormon ritual of blood sacrifice, and its role in a 1902 murder committed by the grandson of Brigham Young. Along with his newly discovered half-brother, Rudd becomes swept up in the psychological and atavistic effects of this violent, antique ritual. "The book offers a different experience from the film since it can obviously go into much more detail," says Rob Zombie. "The book and the film really complement each other." From the singular mind of horror maestro Rob Zombie comes a chilling plunge into a nightmare world where evil runs in the blood... **THE LORDS OF SALEM** Heidi Hawthorne is a thirty-seven-year-old FM radio DJ and a recovering drug addict. Struggling with her newfound sobriety and creeping depression, Heidi suddenly receives an anonymous gift at the station—a mysteriously shaped wooden box branded with a strange symbol. Inside the box is a promotional record for a band that identifies themselves only as The Lords. There is no other information. She decides to play it on the radio show as a joke, and the moment she does, horrible things begin to happen. The strange music awakens something evil in the town. Soon enough, terrifying murders begin to happen all around Heidi. Who are The Lords? What do they want? As old bloodlines are awakened and the bodies start to pile up, only one thing seems certain: all hell is about to break loose. "The Lords of Discipline is, simply, an American classic." -- Larry King **The Lords of Discipline** is a novel about coming of age, brotherhood, betrayal, and a man's forging of his own personal code of honor. Will McLean, a senior on the cadets' honor court, is an outsider by nature: a basketball star at a school that prizes military prowess above athletics, a military man in training who dares to question the escalating Vietnam war. And yet his greatest struggle will be with the corrupt institution of which he is a part. Rich in humor and suspense, abounding in a rare honesty and generosity of feeling, this novel established Pat Conroy as one of the strongest fictional voices in a generation. "A work of enormous power, passion, humor, and wisdom." – Washington Star "God preserve Pat Conroy." – Boston Globe Stephen King's first collection of short stories, originally published in 1978, showcases the darkest depths of his brilliant imagination and will "chill the cockles of many a heart" (Chicago Tribune). **Night Shift** is the inspiration for over a dozen acclaimed horror movies and television series, including *Children of the Corn*, *Chapelwaite*, and *Lawnmower Man*. Here we see mutated rats gone bad ("Graveyard Shift"); a cataclysmic virus that threatens humanity ("Night Surf," the basis for *The Stand*); a possessed, evil lawnmower ("The Lawnmower Man"); unsettling children from the heartland ("Children of the Corn"); a smoker who will try anything to stop ("Quitters, Inc."); a reclusive alcoholic who begins a gruesome transformation ("Gray Matter"); and many more shadows and visions that will haunt you long after the last page is turned.
